

Latincrypt 2025 – Call for Posters

Latincrypt 2025 is the 9th International Conference on Cryptology and Information Security in Latin America, and is organized by Universidad Nacional de Colombia and Universidad EAFIT, in Medellín, Colombia, in cooperation with IACR, the International Association for Cryptologic Research.

The conference will include a **poster session** where authors will have the chance of showing their work to the audience. Additionally, accepted posters will be displayed during the conference.

Important dates

Abstract submission:	July 14th 2025, 23:59 AoE
Notification:	July 21st 2025

Submission server

<https://forms.gle/yMTUah43x4Y5ZcYu9>

Instructions for authors

Authors of accepted posters must ensure at least one speaker will attend the conference in person. Additionally, authors of accepted posters will be in charge of printing their own poster, although the organizers will provide guidance and advice on different options for doing so.

The submission is a **two-pages** (without counting references) document written in English, and should begin with a title, **list of authors and affiliations**, a short abstract, and a body of text that summarizes the contributions of the paper at a level appropriate for a non-specialist reader.
